SKIN PERFUSION

360° SKIN REJUVENATION PROGRAM
DESIGNED FOR TAILOR-MADE PROTOCOLS

COMPLEMENT COSMETIC PROCEDURES

Developed by a French laboratory leading in cosmetic medicine and skin quality, SKIN PERFUSION is an innovative cosmeceutical range especially designed to maintain and enhance the results of cosmetic procedures.

HIGH PERFORMANCE SOLUTIONS

Formulated with high-grade ingredients in optimal concentrations, SKIN PERFUSION products are based on the Mix'n Match principle to achieve the best visible results on skin appearance and to best fit the needs of each skin through tailor-made solutions.

HOLISTIC APPROACH TO THE SKIN QUALITY

Combining in-office and home treatments, SKIN PERFUSION allows a holistic treatment of ageing skin. The specific protocols combine superficial peels, micro-needling and professional skincare to address the concerns of ageing skin: **hydration, radiance, wrinkles, firmness and blemishes.**

CLEANSERS

TO PURIFY COMPLEXION
& REFINE SKIN TEXTURE

CLEANSING OIL 200ml

Cleanses - Hydrates - Protects

This cleansing oil effectively removes waterproof make-up from the face, eyes and lips leaving the skin perfectly clean and comfortable without any tightness. Apply directly into dry face, massage, add some water to emulsify. Rinse with water.

KEY INGREDIENTS:

- Gentle make-up removing agents
- Complex of soothing oils

£32.50

MICELLAR WATER 200ml

Removes make-up - Cleanses - Soothes

Ideal for sensitive skin, this micellar water removes make-up from face, eyes and lips leaving the skin perfectly cleansed & refreshed with an instant cooling effect. Apply with a cotton pad. No rinse.

KEY INGREDIENTS:

- Complex of 3 gentle surfactants
- Niacinamide
- Moisturizing agents

COMING SOON

PEELING

TO PURIFY COMPLEXION
& REFINE SKIN TEXTURE

EXFOLIATING CREAM 50ml

Exfoliates – Purifies

This micro-polishing cream provides a mechanical exfoliation of the dead cells on the skin surface. With a controlled exfoliating action, this cream stimulates cells in the basal layer before reactivating the cell regeneration process.

KEY INGREDIENTS:

- Micro-polishing beads
- Complex of 3 surfactants

£16.25

PERFECTING SOLUTION 100ml

Clarifies complexion – Smoothes – Prepares

This lightweight solution is formulated with gluconolactone a gentle acid, that exfoliates dead cells, smoothes the texture of the skin, reduces irregularities and leaves the skin fresh and clear.

KEY INGREDIENT:

- Gluconolactone 0,5%

£32.50

PEELING

TO PURIFY COMPLEXION
& REFINE SKIN TEXTURE

GLYCOPEEL MASK 50ml

Resurfaces – Exfoliates – Smoothes

Designed to combat dull complexions, fine lines and blemishes, this revolutionary resurfacing mask restores tone & radiance to reveal younger-looking skin. It combines highly concentrated Glycolic acid (15%), which delivers powerful exfoliation, with Phytic acid (2%) for a flawlessly even complexion. A gentle soothing complex also ensures comfort for sensitive skin.

KEY INGREDIENTS:

- Glycolic acid 15%
- Phytic acid 2%
- Soothing complex

£69.00

(1) Evaluation by dermatological scoring – 20 subjects-results obtained on the entire face after 8 applications over 28 days. (2) Profilometric evaluation – 20 subjects-results obtained on crow's-feet wrinkles after 8 applications over 28 days. (3) Self-assessment – percentage of user satisfaction – 20 volunteers – two applications a week for four weeks.

TARGETED SERUMS TO ADDRESS SPECIFIC SKIN CONCERNS

HAB5-HYDRA SERUM 30ml

Hydrates

This serum, enriched with Pro-Vitamin B5 (or Panthenol), considered as the leading skin moisturiser, enhances hydric balance and replenishes the skin's moisture barrier. Thanks to Hyaluronic acid, known in aesthetic medicine for its moisturising and filling properties, it efficiently smoothes the appearance of dehydration wrinkles.

KEY INGREDIENTS:

- Pro-vitamin B5 1%
- Hyaluronic acid 0.6%
- Erythritol + Homarine

£99.00

RE-TIME SERUM 30ml

Smooths wrinkles

This serum, enriched with Vitamin A, considered one of the leading anti-wrinkle ingredients in dermatology, acts on all types of wrinkles and visibly reduces their appearance. Thanks to Wakame 14 G, a powerful skin revitalizer inspired from genetic research, it recreates the appearance of a visibly looking rejuvenated face.

KEY INGREDIENTS:

- Vitamin A 0.1%
- Wakame 14G
- Hyaluronic acid 0.5%
- Arg-lys peptide

£99.00

TARGETED SERUMS

TO ADDRESS SPECIFIC SKIN CONCERNS

AA-LIFT SERUM 30ml

Lifting Effect

This serum is ideal for skin with drawn features, lack of tonicity and loss of elasticity. Enriched with Collagen and Elastin peptides, it visibly enhances cutaneous firmness and skin elasticity. Thanks to Xylose, an essential sugar known for its anti-glycation properties, it boosts cutaneous tonicity.

KEY INGREDIENTS:

- Collagen + Xylose 2%
- Elastin peptide + Sorghum juice

£99.00

P-BRIGHT SERUM 30ml

Reduces pigmented spots

Thanks to the innovative combination of Phytic acid (used in many medical chemical peels), Vitamin C (powerful anti-oxidant), Arabino-xyloses β 1-4 and Papain-carbomer, this serum visibly acts on cutaneous uniformity, reduces the look of dark spots and brightens complexion.

KEY INGREDIENTS:

- Phytic acid 1.5%
- Vitamin C 2%
- Arabino-xyloses B1-4
- Papain-carbomer

£99.00

TARGETED SERUMS

TO ADDRESS SPECIFIC SKIN CONCERNS

BD-BALANCE SERUM 30ml

Purifies

This serum, ideal for combination to oily skin, visibly reduces the look of imperfections. Enriched with Salicylic acid, a gentle smoothing exfoliator, it diminishes the appearance of pores and smoothes out irregularities. Thanks to Zinc PCA, a physiological sebo-captor, it controls shininess and provides a lasting mattifying effect.

KEY INGREDIENTS:

- Zinc PCA 1%
- Salicylic acid
- Beta-HBD3 2%
- Plant extract

£99.00

C-LIGHT SERUM 30ml

Improves radiance

Ideal for dull and tired skin, this serum releases antioxidant benefits. Enriched with Vitamin C, it illuminates the complexion and revives the appearance of tired skin. HRH-14 Polyphenol, a highly active anti-oxidants derived from the resurrection plant (Haberlea Rhodopensis), activates skin radiance.

KEY INGREDIENTS:

- Vitamin C 2%
- Vitamin H 0.1%
- HRH-14 polyphenol

£99.00
